

Addendum to E-mail 2.0 - Trusted Sites Instructions

1. Open Internet Explorer (you cannot use other browsers like Mozilla, Chrome, Safari)
 - a. 32 bit Internet Explorer (Promax will not work in 64 bit)
2. Access Internet Options (this can be located in 1 of 2 places depending on your operating system, both places are listed below)
 - a. First Place - In the upper right hand corner of Internet Explorer

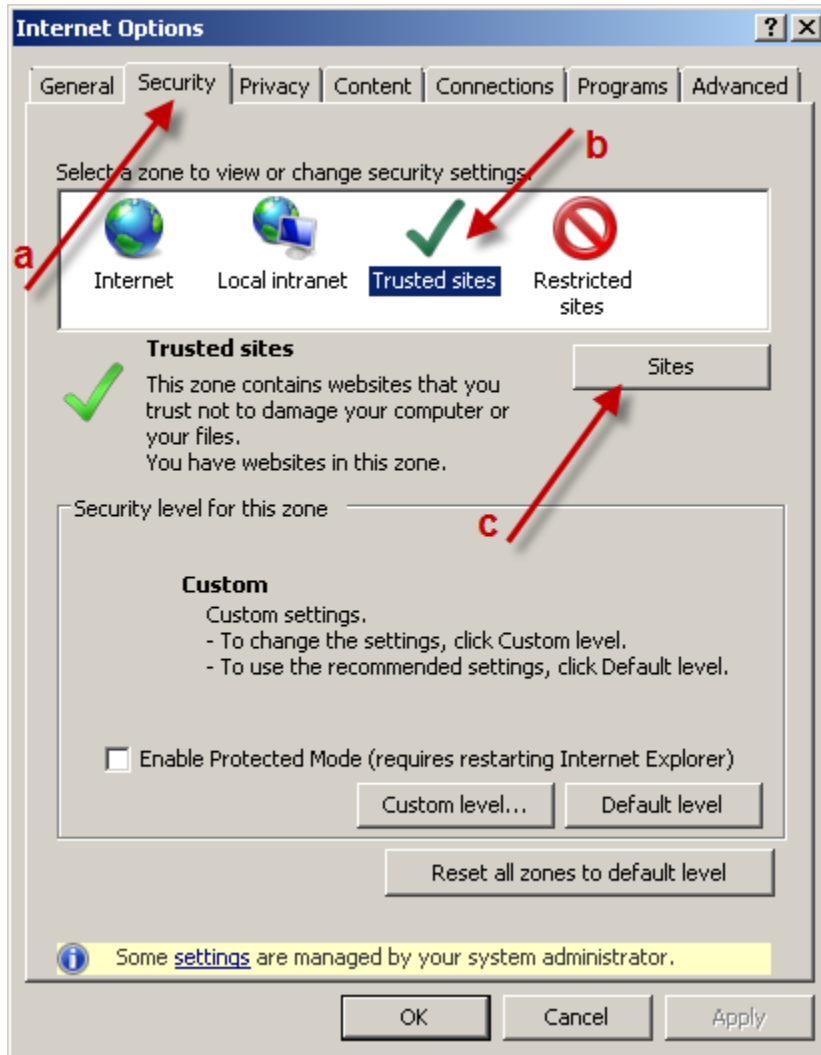

- i. Click on the “White Gear” Icon
- ii. Select Internet Options

- b. Second Place – In the upper left hand corner of Internet Explorer

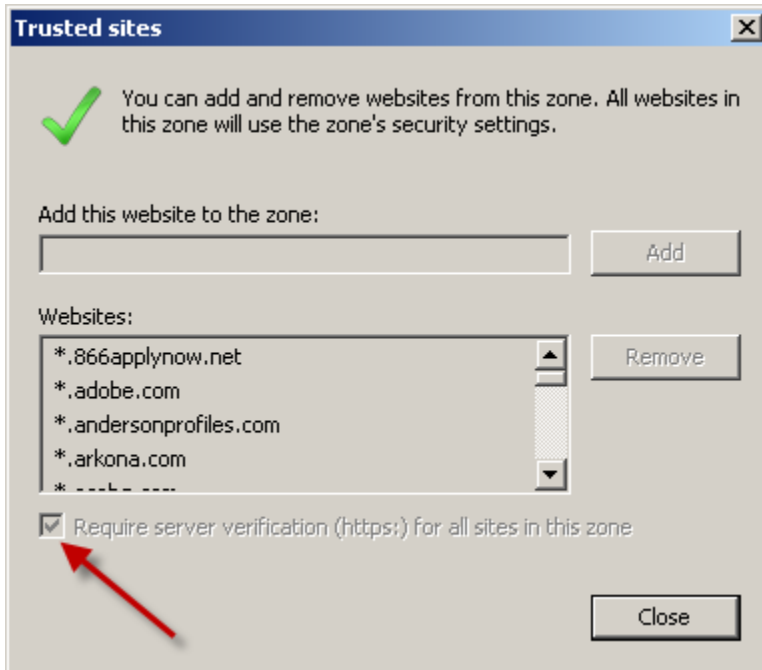

- i. Click on the Tools buttons
- ii. Select Internet Options

3. In the Internet Options Pop Up
 - a. Click on the Security Tab
 - b. Select the "Green Checkmark" Trusted Sites Icon
 - c. Select the Sites button

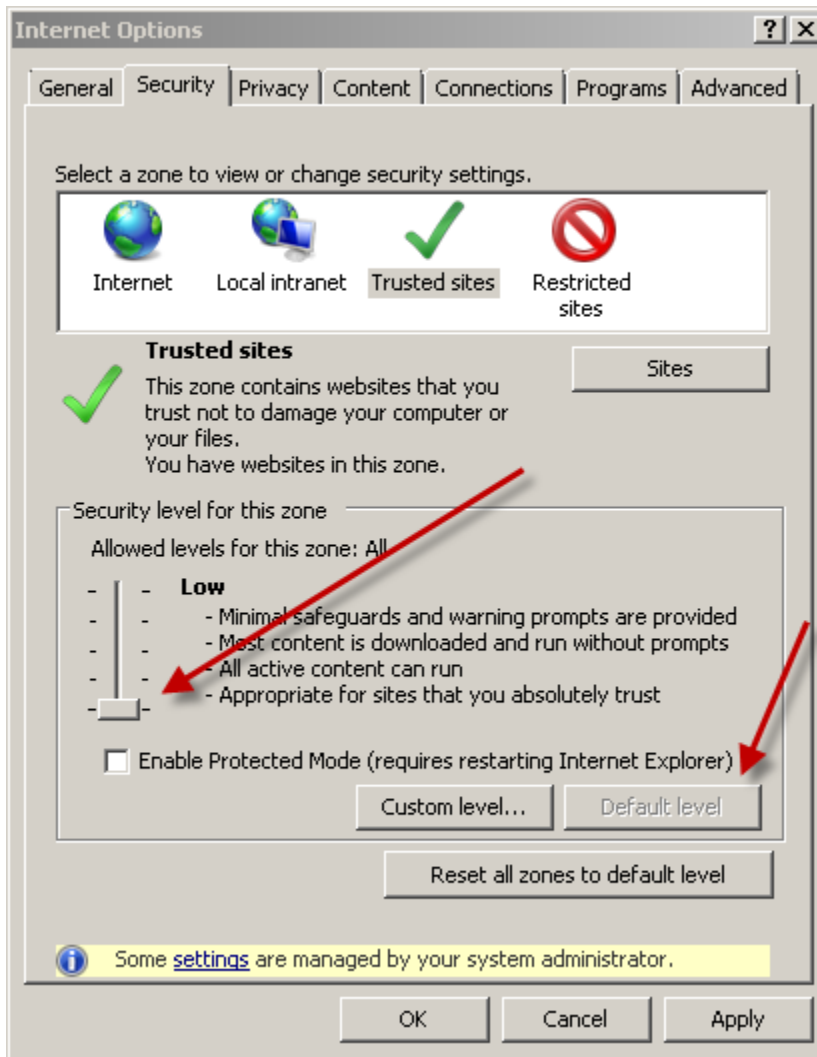

4. Select add and enter in the following sites
 - a. Make sure the checkbox **“Require server verification (https:) for all sites in this zone”** is unchecked before adding in the following sites.
 - *.promaxunlimited.com
 - https://*.promaxmobile.com

- b. Close out of this pop up.

5. Go Back to the Internet Options pop up
 - a. Change the security Level to low
 - i. If the security level displays as custom, then select the default level button. After selecting this, you will be able to pull the bar down to low.

b. Click the apply button

6. Close out the Internet Options Pop Up
7. Close out of all open Internet Explorer Applications

If the dealership is using some form of Website restrictions, like Websense, the following sites need to be added:

- I. Email.dealermarketingservices.com
- II. Promaxmobile.com

If you are still having issues logging into Promax or getting the EZ-up icon to display on your computer, please contact technical support at 877-899-4242.
